How to... Find a Database

Step 4 – Click on the link out button to go to the database website

The screenshot shows a search results page with three database entries under the letter 'B'. The first entry is 'BestBETS' with a link icon. The second entry is 'BNF', which is circled in red, also with a link icon. The third entry is 'CINAHL with Full Text', which has a 'Popular' badge and a link icon. Each entry includes a brief description of the database's content and scope.

Step 5 – In work/ Open Access resource? You will go straight to the database (Step 6)
At home/remote? You will go to the OpenAthens¹ login page...

The image shows the OpenAthens login page. At the top is the OpenAthens logo. Below it is a white box with the heading 'Sign in with an OpenAthens account'. There are two input fields: 'Username' with the text 'svhnlucey' and 'Password' with masked characters. Below the fields is a dark purple 'Sign in' button and a blue link for 'Problems signing in?'.

... enter your username and password

Step 6 – You are now at the database website
